To Whom it May Concern:

American Dryer has been manufacturing quality hand dryers in the USA for almost 60 years. All of our products are designed, assembled and tested in our Livonia, Michigan factory.

We are proud to say all of our products are made in the USA per the Trade Agreements Act (FAR 52.222-9). Most of our products are also available for purchase under the American Recovery and Reinvestment Act (ARRA) as well as Section 833 Disaster Recovery Purchasing.
